

Hello and thank you for your interest in organizing a Helping Hands Week at Trolley Car Diner & Trolley Car Café!

The Diner and Café will donate **20% of your groups' food and beverage revenue** for those who dine during the week of your fundraiser:

Diner Hours:

Monday – Thursday: 7am to 9pm

Friday & Saturday: 7am to 10pm

Sunday: 8am to 9pm

Café Hours:

Monday-Sunday: 7am-3pm

Everyone participating in your Helping Hands Week **MUST present the attached coupon to the cashier or show it to them on their phone when paying the check.**

If the 20% you raise comes out to less than \$25, we will credit your organization the amount towards your next Helping Hands Week effort. When you reach a 20% gain of \$25 or more we will mail out your check.

To help make this week more profitable for your organization, we will provide some ideas and organizing materials that other groups have used successfully. **We CANNOT allow solicitation of other customers or the distribution of the coupon at the Diner/Cafe, but you may post literature about your organization on our community bulletin board up to 10 days prior to the start of your week. You may also tag us on social media.**

Many organizations find that Helping Hands Weeks can be an enjoyable community building activity that is inexpensive and easy to organize. Encourage your friends, members and supporters to dine during your fundraising week and remind them to bring their neighbors and family for a delicious meal!

We are excited to work with you to raise money for your organization. We would appreciate it if you spread the word about our awesome fundraising program to other organizations!

Please contact me if you have any questions, comments, or suggestions.
